Values clarification exercise: What are the pros and cons of lung cancer screening

**YES**: Getting screened for lung cancer. I think the **PROS** of screening are:

1. __________________________________________________________
   __________________________________________________________

On a scale of 1 to 10, how important is this reason to you? Please click on a number that applies.

0 1 2 3 4 5 6 7 8 9 10
Not important Very important

2. __________________________________________________________
   __________________________________________________________

On a scale of 1 to 10, how important is this reason to you? Please click on a number that applies.

0 1 2 3 4 5 6 7 8 9 10
Not important Very important

**NO**: Not getting screened for lung cancer. I think the **CONS** of screening are:

1. __________________________________________________________
   __________________________________________________________

On a scale of 1 to 10, how important is this reason to you? Please click on a number that applies.

0 1 2 3 4 5 6 7 8 9 10
Not important Very important
