In the original published paper “Evaluating Mechanisms of Postoperative Delirium and Cognitive Dysfunction Following Elective Spine Surgery in Elderly Patients (CONFESS): Protocol for a Prospective Observational Trial” (*JMIR Res Protoc* 2020;9(2):e15488), published on February 13, 2020, there was an error in the order of authors: Robert Fleischmann was listed

as the second author. The correct order of the authors is provided above, with Robert Fleischmann named last on the author list.

The correction was made in the online version of the paper on the JMIR website on February 14, 2020. Because this change was made after submission to PubMed, PubMed Central, and other full-text repositories, the corrected article has also been resubmitted to those repositories.
