In “Text Messaging Versus Email Messaging to Support Patients With Major Depressive Disorder: Protocol for a Randomized Hybrid Type II Effectiveness-Implementation Trial” (*JMIR Res Protoc* 2021;10(10):e29495) the authors noted two errors.

1. In the originally published paper, author affiliations 1 and 2 were numbered incorrectly. The numbering of these affiliations has been switched in the corrected paper.
2. The equal contribution symbol '*' for author Felix Osiogo has been removed.

The complete list of authorship and affiliations was originally published as follows:
