In “The Need for Standards Unification in Forensic Laboratory Practices: Protocol for Setting Up the Arab Forensic Laboratories Accreditation Center” (*JMIR Res Protoc* 2022;11(6):e36778) the authors noted one error.

In the originally published article, Reference 6 was incorrectly published as follows:

Naglaa F. The Prevalence of Illicit Drugs and Alcohol in Road Traffic Accident Fatalities in the Eastern Region of Saudi Arabia. *IJFMT* 2020 Oct 7 [doi: [10.37506/ijfmt.v14i4.12122](https://doi.org/10.37506/ijfmt.v14i4.12122)]

This reference is now corrected as follows:

Mahmoud NF, Al-Mazroua MK, Afify MM. The Prevalence of Illicit Drugs and Alcohol in Road Traffic Accident Fatalities in the Eastern Region of Saudi Arabia. *Indian Journal of Forensic Medicine & Toxicology* 2020;14(4): 3219-3225. [doi: [10.37506/ijfmt.v14i4.12122](https://doi.org/10.37506/ijfmt.v14i4.12122)]

The correction will appear in the online version of the paper on the JMIR Publications website on July 14, 2022, together with the publication of this correction notice. Because this was made after submission to PubMed, PubMed Central, and other full-text repositories, the corrected article has also been resubmitted to those repositories.
