(*JMIR Res Protoc* 2025;14:e75984) doi: [10.2196/75984](https://doi.org/10.2196/75984)

In “Assessment and Intervention for Diabetes Distress in Primary Care Using Clinical and Technological Interventions: Protocol for a Single-Arm Pilot Trial” (*JMIR Res Protoc* 2025; 14:e62916) the authors made one addition.

An Acknowledgements section was added to the paper as follows:

We wish to acknowledge colleagues Sheana Bull and Adam Salyers at Clinic Chat, LLC, who developed the chatbot technology described in the manuscript.

The correction will appear in the online version of the paper on the JMIR Publications website, together with the publication of this correction notice. Because this was made after submission to PubMed, PubMed Central, and other full-text repositories, the corrected article has also been resubmitted to those repositories.

This is a non-peer-reviewed article. Submitted 14.04.25; accepted 15.04.25; published 23.04.25.
