In “Cumulative Stress Burden and Association With DNA Methylation in Ethiopian American Immigrants: Protocol for a Community-Engaged, Biopsychosocial Study” [1] the authors noted two errors.

The seventh author (TBM) has added the middle initial “B” to their name.

In addition, the following affiliation has been added as affiliation 6 and linked to TBM:

*Precision Pulmonary Medicine Program, Department of Medicine, Indiana University School of Medicine, Indianapolis, IN*

The correction will appear in the online version of the paper on the JMIR Publications website, together with the publication of this correction notice. Because this was made after submission to PubMed, PubMed Central, and other full-text repositories, the corrected article has also been resubmitted to those repositories.
