

Multimedia Appendix 2. Design of Cancer@Work at different stages of development.

Functionality		Draft 1 – Based on literature review and interviews with experts	Draft 2 – Adapted on the basis of interviews with cancer survivors, occupational physicians and employers	First version of website built after consultation with experts on writing web text and experts on design, privacy and	Final website adapted on the basis of results feasibility study
Patients Access to personal and secure website	Look and feel – confrontational	-	√	√	√
	Look and feel – provide perspective	-	√	√	√
	Look and feel – offer support to help them to solve specific personal problems	√	√	√	√
	Look and feel – reassure	-	√	Excluded: does not fit with tone of voice	-
	Lay-out in stages of disease (e.g. diagnosis, treatment, late effects)	-	Excluded not univocal which information about work is needed at which stage	-	-
	Combination of text, film and assignments	√	√ However, not possible due to financial constraints on the provision of film	√	√
	No prescribed use	√	√	√	√
	Look and feel – light-hearted	-	√	Excluded: does not fit with tone of voice	-
	Adapt lay-out of eHealth intervention to personality of user	-	Excluded due to financial constraints	-	-
	Possibility to enlarge the size of the text on the website for visually impaired people	-	-	-	Excluded because it does not fit the scope of the intervention
	Possibility of the text on the website being read aloud for visually impaired people	-	-	-	Excluded because it does not fit the scope of the intervention
Employers Public website	Look and feel – positive aspect of return to work after cancer	-	√	√	√
	Succinct information	√	√	√	√
	Headings for ‘employers’, ‘occupational physicians’ and ‘general practitioners’ are shown twice on the homepage, show only once	-	-	-	Excluded because researchers and other participants

					did not share this opinion
	Use formal form of address	-	-	-	Excluded because it does not fit the 'tone of voice'
	Make the website look more sexy, less clinical	-	-	-	Excluded because it does not match the experts' opinion
Occupational physicians Public website	Succinct information	√	√	√	√
	Change picture on the homepage because the current one looks too happy	-	-	-	Excluded because it does not meet the 'tone of voice' of the intervention
General practitioners Public website	Succinct information	√	√	√	√
Specialised nurses Access to personal and secure website	Succinct information	√	√	√	√

√: included.
