

## Knowledge of DA Information

**ALL ASSESSMENTS WILL BE COMPLETED ONLINE.**

**NO PAPER COPIES ARE TO BE PRINTED AND GIVEN TO TRIAL PARTICIPANTS**

Please read each of these statements and place a mark in the box to show whether you believe it to be true, false, or you are unsure:

	Definitely true	Probably true	I am unsure	Probably false	Definitely false
Neoadjuvant treatment involves receiving treatment <u>before</u> surgery for breast cancer	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Patients who receive neoadjuvant treatment have the same chance of the cancer coming back as those who have surgery first	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
There is a chance that my cancer will disappear completely	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
If my cancer disappears entirely, I may not need surgery	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
If the cancer disappears entirely, it is less likely to come back	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
If my cancer shrinks after neoadjuvant therapy, I will still have to have the same type of surgery (e.g. mastectomy)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The chance of the cancer getting smaller depends on the type of breast cancer that it is	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
